Creative Stitching Workshop with Trina O'Rourke

Friday, September 15, 2023

10 am to 3 pm

St. George's Presbyterian Church, 1475 Dundas St, London, ON N5W 3B8

Workshop Fee: \$45

Wool Kit and Supplies: \$25

Sue Spargo's Creative Stitching book Second Edition \$49 + HST = \$55.37 (optional)

Kit includes wool background and 9 punched circles, 4 needles (provided at workshop) and Eleganza embellishing threads that are used during the day. Students will be creating a stitch sampler from the kit.

We will focus on the stitches in Sue Spargo's Creative Stitching book Second Edition. Not mandatory to take to the class BUT is a great benefit for the serious stitcher - copies available from the Cotton Harvest. The shop Eleganza threads will be provided which students can use throughout the day for their stitching. They should expect to bring home a completed project as threads won't be supplied to take home. If they would like a spool or two to take home with them a selection of threads will be available for purchase.

There is some homework required prior to class in order to obtain the most benefit from learning during the workshop. The kits will be available at the May or June meetings. Participants should be prepared to come to class with all nine circles whip stitched down to their background piece of wool.
